

THE ART OF MEDITATION

A three part class series for Beginners

Of all the fields of human endeavor, the practice of mental and spiritual cultivation is the most challenging and boundless in its potential. Whether you are coming to meditation for the first time, seeking to develop some peace, serenity and understanding in your life, or whether you are committed to your own awakening and enlightenment in this very life, this class is designed to offer the entire spectrum of meditative teachings and trainings from the very foundations of concentration and mindfulness, loving kindness and serenity. Meditation has the power to transform our lives by cutting off the roots of suffering itself. This class is open to both beginners and experienced practitioners.

Spring Washam is a meditation teacher and founding member of the East Bay Meditation Center.
